

**Policy:** GCI  
**Subject:** Professional Growth

---

**Policy:**

The Red River Valley School Division Board of Trustees supports and encourages the Professional Growth of its teaching staff.

**Protocol:**

Professional Growth is a necessary and ongoing process that promotes teacher growth. Teachers are encouraged to make decisions regarding their own professional and personal development. Evaluative and Developmental Track progress allows for individual's unique needs to be met.

Both administrators and teachers will follow the procedures, guidelines and evaluative measures found in the Professional Growth in The Red River Valley School Division manual.

The Superintendent & CEO will monitor all recommendations for placement on either the Developmental or Evaluative track.

**Procedure:**

See manual "Professional Growth in the Red River Valley School Division".
